HOW WILL I BE NOTIFIED

UCLA Summer Sessions will review all deferred deposit requests and verify eligibility. You will be notified via email within one week of submission that your request has been approved or denied. If approved, the \$350 registration fee will be deferred, and you will be enrolled in a Precollege Summer Institute, the Summer College Immersion Program (SCIP), or granted access to enroll in summer courses (space permitting).

NOTE: If registering for a Precollege Summer Institute or the Summer College Immersion Program (SCIP), deferred deposit will not apply until you are accepted into the program. If your program or course is waitlisted, you may add yourself to the waitlist.

If you are not eligible for deferred deposit, you will be notified via email and will be required to pay the \$350 registration fee for consideration of the Summer Scholars Support.

TERMS AND CONDITIONS

- 1) Receiving deferred deposit does **not** guarantee a scholarship. You must still apply for Summer Scholars Support and your scholarship application will be reviewed equally with the other applicants.
- 2) You must complete and submit all requirements for Summer Scholars Support by the appropriate deadline or you will be dropped from your Summer Institute, SCIP, or summer course.
- 3) If you are not awarded a scholarship, you will be required to pay the \$350 fee within 24 hours or you will be dropped from your program or academic course.
- 4) If eligible, students can only defer their deposit for one program.
- 5) If a partial scholarship is awarded, the student must pay the difference by May 1 or you will be dropped from your program or academic course.
- 6) Providing false or incorrect information to the University is grounds for exclusion from consideration for the Summer Scholars Support award and immediate cancellation of Summer Sessions registration.
