

Digital Filmmaking Equipment Kit Information

The Digital Filmmaking Summer Institute was carefully designed with an essential equipment kit. Students must acquire this specific equipment in order to participate in the program. This kit includes all of the elements a student will need to successfully complete all exercises and projects for the program. Previous students have continued to use their equipment kits for projects after the conclusion of the program, and it is our hope you will do the same.

Below is a list of the equipment kit items, along with manufacturer's numbers and information to help you source and purchase the items.

UCLA is aware of the following retailers that carry items in the kit:

- Adorama - <https://www.adorama.com/>
- Amazon - <https://www.amazon.com/>
- B&H Photo - <https://www.bhphotovideo.com/>
- Moment - www.shopmoment.com

The retailer list is provided for your convenience, UCLA does not endorse any company's products or services. Retailer terms and conditions will apply to your purchase.

Adorama is offering a bundled kit* with a **discount of 20-30% on most items**, with some items discounted further. This discounted bundle can be accessed via their website portal here: <https://www.adorama.com/digitalmediakits>

-You will be asked to register to be verified as an enrolled student. When registering, use this account number: # **13486849**.

-After registering, please allow 3 business days for your enrollment to be verified and approved. You will receive an email when you are approved. Then sign in to the Adorama portal to access the bundled kit. You can access the kits by going to the links below or searching for their SKU number:

**Some required items are not included in the Adorama or B&H bundled kits (Moment Phone Case, Hard Drive) and will need to be purchased separately, as the phone case depends on your phone type. Additionally, B&H’s kit and Adorama’s Android/Smartphone kit does not include the Rode SC6 or Kingtop Combo Adaptor and will need to be purchased separately depending on whether you have an iPhone or smartphone and which kit you purchase. See below for more info.*

Please purchase the kit no later than May 15, 2021, to avoid challenges with stock, shipping delays, etc. If you enrolled after May 15th, please purchase the kit as soon as possible to ensure delivery before the first day of your program session.
