PETITION

UCLA STUDENTS

Enrollment requests after the deadline must be petitioned with your College/School. Please consult your College/School directly for instructions on how to submit a petition.

NON-UCLA STUDENTS

Enrollment requests after the deadline must be petitioned with the UCLA Summer Sessions Office using this Student Update Form. In addition to the Student Update Form, a written explanation providing the reasoning for the request must be attached. A decision will be provided via email within 10 business days of submission of a complete petition.

NOTE: Impacted course drop petitions are granted only under extenuating circumstances, therefore it is recommended students consult the course instructor and explore academic options other than dropping the course.

FEES AND PAYMENT

Payment deadlines are available for view at www.summer.ucla.edu/calendar. Delinquency in payment may lead to holds, delinquent fees, collection activity, and/or enrollment cancellation according to University policy.

NOTE: You are not relieved of financial responsibility if you fail to attend classes, reverse your credit card charges, stop payment on your check, or if your check is not honored by the bank.

REFUND POLICY

The deposit or the processing fee (\$400 for international students, \$150 for all others) is not refundable under any circumstances even if all courses are dropped before instruction has begun. In the event of withdrawal, all fees that are subject to refund as stipulated on the Summer Sessions website at www.summer.ucla.edu are refundable excluding the deposit/processing fee if dropped by the refund deadline (Impacted Courses: 5pm on Friday, Week 1 of instruction. Non-impacted Courses: 5pm on Friday, Week 2 of instruction). No fees are refundable after these deadlines and students will be financially liable for all fees regardless of enrollment status.

^{*}Some departments may require additional approval. Students may only enroll in a Closed or Waitlisted course with a PTE number only.

^{**}If approved, drop will be recorded on the official UCLA transcript.

^{***}Students in the UCLA School of Engineering may only change the grading basis of a course with approval from the School of Engineering.
