

JUMPSTART 2021 / TEEN ARCHSTUDIO 2021

Computer Hardware Recommendations:

- **Laptop or Desktop Computer**
 - Strongly recommended 8GB RAM
 - 500GB hard drive (or combination with external hard drive space, SSD preferred)
 - Windows 10 / OSX
 - Intel i5 or above
- 3-button mouse
- Webcam (if not integrated)
- Headphones / microphone (if not integrated)

Computer Software Recommendations:

- **Zoom**
 - As a participant of Jumpstart or Teen ArchStudio you will be considered a UCLA enrollee for the duration of the program. This means you will get a UCLA email address and Zoom account. With an educational email, you are eligible for educational software programs and trial versions.
- **Miro**
 - Once you receive the UCLA email address sign up for an EDUCATION license: <https://miro.com/education/>
- **Rhino**
 - Free 90 day trial: <https://www.rhino3d.com/download/>
- **Adobe Suite (Photoshop and Illustrator)**
 - 7 day free trial
 - Student purchase option:
<https://www.adobe.com/creativecloud/buy/students.html>
- **V Ray Trial (Windows Only)**
 - 30 day free trial: <https://vray.us/vray-rhino>
- **Kyshot Trial (for Mac users)**
 - 14 day free trial: <https://www.keyshot.com/try/>

Note: If you will be working with the trial versions we recommend that you download and install the day before the program starts.

Recommended Hardware for Sketching and Physical Models:

- Paper
- Pencils
- Cutting Mat and Precision Art Knife (X-acto Knife) and Scissors
- Paper Glue, Tape, Glue Spray
- Ruler, L-square or triangle
- Printer
